

# Cisco Jabber Installation Guide

Previously know as Tandberg Movi

Version 1.2

### Downloading

- 1. Go to www.cisco.com
- 2. Click on Support
- 3. Click on the Downloads tab
- 4. Type Jabber into the Find box and select Cisco Jabber Video for TelePresence (Movi)

#### Installing

- 1. Select the appropriate software version (either for Mac of PC).
- 2. Click the Download button.

- 3. To download software from Cisco, you must be a registered user. Either log in using you existing credentials, or Register for a free account. (Please note that this is different from you Jabber account).
- 4. After the software had been downloaded, run the install application.

#### Setup

Jabber Video		
$\bigcirc$		
Cisco Jabber Video	D De	
3 Username:		
Password:	Sian-in Settinas	
	Start Jabber Video when I log on to my computer	
🔲 Remember me 🛛 😤	1 Sign in automatically	
Sign in	4 Servers	
	Internal Server	2
	vc.scot.nhs.uk	_
	External Server	
	vcsx.vc.scot.nhs.uk	
	SIP Domain	
	vc.scot.nhs.uk	
	<b>OK</b> Cancel
